S--Indicates Seedlings, T--Each T one transplanting,X Following Item sold out.

5 at the 10,---25 at the 100 and 250 at the 1000 rate.

See other side for suggestions in growing Evergreens.

Suggestions for growing Evergreens.

Rooted Cuttings, very small Transplants and seedling Evergreens should be shaded and watered for at least one year. One half shade is advised. Ground should be well worked and mellowed with Peat if very heavy. Large transplants can be Field rowed but should also be watered during dry weather if at all possible. All should be well cultivated to keep down the weeds and develope roots. Do not work the ground to late in the Fall as this will tend to keep the trees from hardening up for Winter. A Mulch is very beneficial. Commercial Fertilizers and fresh Barn Yard Manures can be used but care should be taken not to touch the roots.

Manny of our Customers have asked us which trees are the best for Christmass Trees. The Trees used in this State, Minnesota and Upper Michigan are the Native Spruce, Blck and White also Norway. The Norway Spruce is not native to this locality but it does very well here and grows fast.

Balsam Fir is the prefered Tree due to its Fragrance and Needle holding characteristics. Manny Localities use other Trees such as the Austrian, Scotch and Norway Pine, Junipers and Firs in variety. The Pine hold their needles very well, stay green a long time and make very nice Xmass trees.

The Blck Spruce and Balsam Fir do very well in wet swampy places as well as on the high ground. The Varieties in the greatest demand at the present time are first the Balsam Fir, Norway Spruce, White Spruce and Douglass Fir.

We will be glad to furnish any information we can to those wishing to start Growing Xmass Trees or a Nursery. May we help you?

At times we can offer at Wholesale a few Deciduous Trees, Shrubs and Perennial Flowers, such as Red Oak, Native White Birch, Black and Red Cherry, Caragana Pea Shrub, Alpine Currant, Spirea Anthony Waterer, German Iris, Golden Glow, Corral and Tiger Lily Bulbs Etc. Write stateing Varieties wanted and prices will be quoted if available.
